Public Safety Facilities PLANNING SEMINARS

*Planning, Funding, & Obtaining New Public Safety,
 Police, Fire Rescue, Communications & Emergency
 Operations Centers*

March 1 & 2, 2018 - Orlando, FL

OVERVIEW

If you are contemplating a new or renovated facility within the next five years, our seminar will provide you with must-have information regarding the details involved in planning, funding, and obtaining new public safety facilities. We will provide you with a step-by-step plan or blueprint to assist your department, agency or community in its quest to provide world-class public safety facilities for your citizens.

“The best part was the ability to network... to gain a better understanding of our project.”

- Larry Wood
Springfield - Greene County, MO Public Safety Center

“This is a very informative seminar that ensures you examine all aspects and considerations in building a new public safety facility. This is a great starting point for anyone considering this endeavor.”

- Police Chief, Wayne Nero
Georgetown, TX Public Safety Complex

“Most importantly, I was given a structure or road map to follow and use as a resource as we move forward in our project.”

- Sheldon Schmitt
Sitka Police Department, Alaska

“The seminar is a must if you have limited experience or exposure in the planning, design or project management for a new facility.”

- Chief Kevin Breen
Salem, NH Fire Department

“There was so much valuable information with regard to planning a new EOC/9-1-1 Center. There were a great deal of ideas to take back that we will incorporate.”

- Marilyn Gable
Sarpy County, Nebraska

“You must attend this seminar if planning to renovate or build a new facility. The information is critical.”

- Chief Mike Bishop
Longview, TX Police Department

The seminars include a variety of speakers with demonstrated expertise in the planning and design of specialized facilities such as **public safety, police, EOC, fire, 911 / communications, and training facilities**. Attendees will also receive educational materials that can only be obtained by attending this seminar.

Participation in the seminar is limited to current public sector employees and elected officials.
